What points will be given for the Leaving Certificate Vocational Programme?

LCVP Grade	Revised LCVP Points
Distinction	66
Merit	46
Pass	28

What does the new scale aim to achieve?

- To fairly reward scholastic achievement;
- To minimise the use of random selection to allocate higher education places;
- To preserve the relative value of ordinary level and higher level in the current points scale;
- To encourage the take-up of higher level subjects, by awarding points for the new H7 grade.

Will there still be bonus points for Maths?

- 25 bonus points will continue to be awarded for Higher Level Mathematics for H6 and above.

Can I apply through the CAO from 2017 with a Leaving Certificate from 2016 or earlier?

- All students applying through the CAO from 2017 will be awarded points under the new scale, no matter when they sat the Leaving Certificate.
- The points available under the new scale cannot be compared with the points awarded currently.
- Full details of the points awarded to pre-2017 Leaving Certificate students can be found on www.transition.ie.
- The current equivalence between the points awarded for QQI Further Education and Training will be maintained in line with the new scale. Full details of the revised points for these awards can be found at www.transition.ie.

Will basic matriculation requirements also change in 2017?

As a result of the new Leaving Certificate grades, revised basic matriculation requirements will also be introduced, as follows:

- Where the requirements are currently 2 higher level C3 grades and 4 ordinary level D3 grades, in 2017 these will become 2 H5 and 4 O6/H7 grades.
- Where the requirements are currently 5 ordinary level D3 grades, in 2017 these will become 5 O6/H7 grades.
- Where the requirements are currently 3 higher level C3 grades and 3 ordinary level D3 grades, in 2017 these will become 3 H5 and 3 O6/H7 grades.
